Accelerating Learning For Critical Technologies

Performance at the Speed of Change

Today's rapidly changing business climate demands a workforce that can act with immediate knowledge and expertise. Faced with mounting responsibilities, unplanned obstacles, new regulations and complex technologies, the ability of employees to keep pace is being challenged on a daily basis.

To stay abreast employees are increasingly turning to the Internet in fruitless web searches and interrupting their co-workers for assistance. Staying current and informed is not only more difficult, it is costing your business billions in lost, unproductive time.

What is Books24x7?

In partnership with the industry's foremost publishers, vendors, analyst firms, thought leaders and senior executives of Fortune 500 companies, Books24x7 On Demand offers instant access to the complete text of thousands of best-in-class books, book summaries, research reports and best practices through your browser or internet-enabled mobile device.

Enable Work Force Agility

Provide readily accessible information when and where needed. Couple your e-Learning library with Books24x7 and empower your work force to learn as they go.

Point, Click and Find – What You Need, When You Need It

Books24x7 enables you to search, browse, read and collaborate with other users of its vast professional libraries, easily pinpointing critical information within seconds. Embedded into the life of your organization, Books24x7 enhances productivity and professional development, minimising employee downtime and maximising performance.
